### **DETAILED ACTION**

By Applicant's Response filed 04/29/2010, claims 1-26 are pending in this Application. Claims 1-8 and 16-26 were previously withdrawn as being drawn to a nonelected invention.

### **Information Disclosure Statement**

The information disclosure statement (IDS) submitted 04/29/2010 was properly filed and is in compliance with 37 CFR 1.97. Accordingly, the information disclosure statement was considered.

### **Response to Remarks**

Applicant's amendments obviate the rejection over claims 9 and 10 under 35 USC 112, second paragraph. Accordingly, this rejection is withdrawn.

Applicant's arguments regarding the rejection of claims 9-15 over US Application No. 10/594519 are persuasive, and this rejection is withdrawn.

Applicant seeks rejoinder of claims 1-8 and 16-26. However, per the Non-Final Office Action (11/23/2009),

"Applicant's election to the Restriction Requirement is treated as having been made without traverse. As such, Groups I and III, drawn to claims 1-8 and claims 16-26 respectively are withdrawn as being drawn to non-elected subject matter. Applicant elected the process of manufacturing the compounds of formula (I). Accordingly, rejoinder practice does not apply, and the withdrawn claims will not be rejoined."

Art Unit: 1626

For rejoinder practice, please see MPEP 821.04. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

### **Objections**

Claims 1-8 and 16-26 are objected to as they are drawn to nonelected subject matter.

### **Allowable Subject Matter**

Claims 9-15 are ALLOWED.

### **Conclusion**

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a). A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
